#### **NOTES:**

- 1. The Explanatory Statement pursuant to Section 102 of the Act, in respect of the Special Businesses as set out in Item Nos. 3 to 5 above and the relevant details of the Directors seeking appointment/reappointment above as required by Regulation 36(3) of the Listing Regulations and Secretarial Standard 2 on General Meetings ("SS-2") issued by the Institute of Company Secretaries of India are annexed hereto.
- 2. Pursuant to the General Circular 2/2022 dated May 5, 2022 and other circulars issued by the Ministry of Corporate Affairs ("MCA") ("MCA Circulars") and Circular SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 issued by Securities and Exchange Board of India ("SEBI") (MCA Circulars and SEBI Circulars are collectively knowns as "Circulars"), the companies are allowed to hold AGM through VC, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC. The deemed venue for the AGM shall be the Registered Office of the Company i.e. 16/2B, Sri Vinayaka Indl Estate, Singasandra Near Dakshin Honda Showroom House Road, Bangalore 560068 Karanataka.
- 3. As the AGM shall be conducted through VC / OAVM, the facility for appointment of Proxy by the Members is not available for this AGM and hence the Proxy Form and Attendance Slip including Route Map are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the EGM/AGM through VC/OAVM and participate there at and cast their votes through e-voting. In compliance with the Circulars, the Notice of the AGM indicating the process and manner of electronic

voting along with the Annual Report of the Company for the Financial Year ended March 31, 2022 is being sent to the Members only through electronic mode whose e-mail addresses are registered with the Company/Depositories.

To support the 'Green Initiative' and obtaining Annual Report of the Company, Members are requested to register their e-mail addresses by sending an e-mail on <a href="mailto:investor@bigshareonline.com">investor@bigshareonline.com</a> by giving details like name, folio number, permanent account number and contact number. Members holding shares in demat form are requested to register their e-mail addresses with their DP's only.

In compliance with the said MCA Circulars, the Company has published a public notice by way of advertisements on September 02, 2022 in Financial Express newspaper (English paper) and Vartha Bharati (Regional Paper), inter alia, advising the Members whose e-mail address are not registered/updated with the Company or the Depository Participant(s) ("DP's"), as the case may be, to register/update their e-mail address with them at the earliest.

- 4. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- 5. The attendance of the Members attending the EGM/AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
- 6. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power

of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc.:

- a. For shares held in electronic form: to their Depository Participants (DPs)
- b. For shares held in physical form: to the Company/Registrar and Transfer Agent in prescribed Form ISR-1 along with relevant proofs and other forms pursuant to SEBI Circular No. SEBI/HO/ MIRSD/MIRSD RTAMB/P/CIR/2021/655 dated November 3, 2021.

Members holding shares in physical form are advised to update their KYC details and Nomination details as mandated under SEBI Circular Nos. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2021/655 dated November 03, 2021 and SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2021/687 dated December 14, 2021 to avoid freezing of their folios on or after April 1, 2023 with RTA.

Members are further requested to note that non-availability of correct bank account details such as MICR ("Magnetic Ink Character Recognition"), IFSC ("Indian Financial System Code") etc., which are required for making electronic payment will lead to rejection/failure of electronic payment instructions by the bank in which case, the Company or RTA will use physical payment instruments for making payment(s) to the Members with available bank account details of the Members.

7. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD\_ RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition.

Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website at <a href="https://www.elandapparel.com">https://www.elandapparel.com</a> and on the website of the Company's RTA at <a href="https://www.bigshareonline.com/Resources.aspx">https://www.bigshareonline.com/Resources.aspx</a>. It may be noted that any service request can be processed only after the folio is KYC Compliant.

- 8. SEBI vide its Circular dated January 25, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.
- 9. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates along with the requisite KYC Documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.
- 10. As per the provisions of Section 72 of the Act and aforesaid SEBI Circulars, the facility for making nomination is available for the Members in respect of the shares held by them in physical mode. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13 with RTA.

Further members holding physical shares are informed that they can opt out of nomination or cancel the existing nomination by filing following form with RTA:

a. Form ISR – 3: For opting out of nomination by shareholder(s)

- b. Form SH -14: For cancellation or variation to the existing nomination of the shareholder(s)
- 11. Non-Resident Indian Members are requested to inform RTA, immediately of:
  - a) Change in their residential status on return to India for permanent settlement.
  - b) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.

# EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ANNEXED TO THE NOTICE OF ANNUAL GENERAL MEETING

The following explanatory statement pursuant to Section 102 (1) of the Companies Act, 2013, sets out all material facts relating to the business mentioned in item in the accompanying Notice of the Annual General Meeting of the Company.

#### Item No. 3:

#### To approve Material Related Party Transactions for the Financial Year 2022-23:

#### Details and the benefits of the Material Related Party Transaction:

Your Company has entered into a transaction with the companies as mentioned in the resolution which is a "Related Party" as defined under Section 2 (76) of the Companies Act, 2013 and Listing Regulations. As per the provisions of Section 188 (1) of the Companies Act, 2013 "Related Party Transactions" requires prior consent of the Board where transactions proposed to be entered into falls in the list of items referred therein and are within threshold limits prescribed under Rule 15 of the Companies (Meeting of Board and its Power) Rules, 2015. Proviso to Section 188 further provides that nothing contained in sub-section (1) of Section 188 applies where transactions are entered into by the company in the ordinary course of business other than transactions which are not on an arm's length basis.

The provisions of the Regulation 23 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, defines term Material Related Party Transaction. It provides that all related party transactions shall be considered as "Material" if the transaction entered with or transactions to be entered individually or taken together with a Related Party along with previous transactions during a Financial Year exceeds 1000 crores or 10% of the Annual Consolidated Turnover of the company as per the Last Audited Financial Statement of the Company, whichever is lower.

The Company is yet to cross the limit of materiality.

The Audit Committee and Board of Directors in their respective meetings held on September 01, 2022 have approved the material related party transactions, the details of which are mentioned below.

The Material Related Party Transactions requires approval of the Shareholders by passing an Ordinary Resolution and in respect of voting on such resolution(s), all the related parties shall abstain from voting, irrespective of whether the entity or person is a party to the particular transaction or not, pursuant to Regulation 23(6) 4<sup>th</sup> Proviso of SEBI (LODR)Regulations 2015.

#### **CORPORATE GOVERNANCE REPORT**

The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2022, in terms of Regulations 17 to 27, clauses (b) to (i) of Regulation 46 (2) and Para C, D and E of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is as follows together with the Auditors Certificate annexed as **Exhibit - A** to this report, on compliance with the conditions of Corporate Governance laid down for the year ended 31<sup>st</sup> March, 2022.

#### 1. PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate Governance essentially is the system by which Companies are directed and controlled by the management in the best interest of the stakeholders and others. In other words, it involves a set of relationships between a Company's management, its Board, its shareholders and other stakeholders. Corporate governance also provides the structure through which the objectives of the company are set, and the means of attaining those objectives and monitoring performance are determined. It is the way of life, rather than mere legal compulsion. It furthers investor's confidence and commitment to the Company.

### Principle Characteristics of Corporate Governance are: -

- **A.** Transparency
- **B.** Independence
- C. Accountability
- D. Responsibility
- E. Fairness
- F. Social Responsibility

The policies and guidelines of Corporate Governance have been implemented in all facets of your Company's operations to build up an environment of trust and confidence amongst the stakeholders of the Company.

E-Land believes in professional management of its business which ensures that decision making powers vested in executive management are used to meet stakeholders' aspiration and social expectations. It also ensures total transparency and complete accountability. The Company believes that good Corporate Governance is a continuous process and strives to improve the Corporate Governance practices to meet shareholder's expectations.

The Company has a strong legacy of fair, transparent and ethical governance practices. The Company has adopted a Code of Conduct for its employees including the Managing Director and the Executive Directors to become competent with changing cultural and regulatory norms across the multiple jurisdictions in which the Company conducts its business. In addition, the Company has adopted a Code of Conduct for its non-executive directors which includes Code of Conduct for Independent Directors which suitably incorporates the duties of independent directors as laid down in the Companies Act, 2013 ("Act"). These codes are available on the Company's website.

The Company's corporate governance philosophy has been further strengthened through the Code of Conduct for Prevention of Insider Trading ("Insider Trading Code").

The Company is in compliance with the requirements of the guidelines on Corporate Governance stipulated under the regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of regulation 46 of SEBI Listing Regulations, as applicable, with regard to corporate governance except pursuant to regulation 24A of Listing Regulations, the Annual Secretarial Compliance Report for the year ended 31st March, 2021 was inadvertently filed with Stock Exchange with delay of 30 (thirty) days.

#### h) LIST OF SKILLS/EXPERTISE/COMPETENCIES REQUIRED TO FUNCTION THE BUSINESS EFFECTIVELY:

Too many businesses fail because translating passion into a successful business model is a difficult task.

Developing a small business into a successful enterprise demands more than passion. Unfortunately, facts speak for themselves. Over half of new businesses fail mainly because the entrepreneur is unable to translate their passion into practical business skills. Success demands more than hard work, resilience, and expertise in your field. In order to succeed, you need to understand and to become proficient in a set of fundamental business skills. Following are the essential skills that you are required to run the business of the Company:

#### **Financial Management Skill:**

Being able to effectively manage your finances is critical. You will need to be able to forecast your cash flow and

sales, as well as, monitor your profit and loss. Having sound financial management skills will help you to run your business profitably and protect your financial investment.

#### Marketing, Sales and Customer Service Skill:

It is important to be able to promote your products or services effectively. Providing good customer service and having a marketing strategy in place will help you to generate sales.

#### **Communication and Negotiation Skill:**

Communication and negotiation with your suppliers, potential investors, customers and employees is very important to have. Having effective written and verbal communication skills will help you to build good working relationships. Every communication should reflect the image you are trying to project.

#### **Management Skill:**

These means offering other people opportunities to do work, even if you think it will benefit your own clout or resume to do it yourself. Delegation is an important part of time and resource management. If you take everything on yourself, chances are your work in key areas will suffer. Someone that excels in business will be able to manage their own workload by appropriately directing the appropriate colleagues and subordinates or the best tasks.

#### **Strategic Planning Skill:**

Strategic planning is a very important business activity. Strategic planning is a process of defining your company's strategy or direction and making decisions on allocations of resources of capital and people. The key is to know how to project your company's future performance, within a three-to-five year framework or more, supported by your well-defined business plan.

In terms of requirement of Listing Regulations, the Board has identified the following skills / expertise / competencies of the Directors as given below:

#### "ANNEXURE V" TO DIRECTORS' REPORT

#### **MANAGEMENT DISCUSSION & ANALYSIS**

#### **OVERVIEW OF THE ECONOMY - GLOBAL ECONOMY**

Last 2 years the country's economy has seen turbulence and uncertainty in terms of COVID – 19 pandemic. Economic activity which was recovering with the ebbing of the third wave, rapid stride towards universal vaccination, and supportive fiscal and monetary policies now faces significant headwinds from the exacerbating geopolitical developments and the accompanying sharp rise in global commodity prices and weakening global growth outlook. The key markets in the textile industry are China, European Union, the United States and India, all of which were affected due to the COVID-19 pandemic. The global recovery from the COVID-19 pandemic is turning out to be muted relative to earlier expectations. Downside risks to even this subdued recovery have jumped significantly from the escalation of geopolitical tensions, which have led to a broad-based increase in global commodity prices and are expected to have a large negative impact on global trade and growth. Growth and inflation outcomes are at high risk across the world as well as in India. Further, the global supply chain had seen unprecedented levels of pressure and disruption due to logistical impasse. This led to delayed delivery resulting into reduced product shelf life and increased inventory at importer / retailer level which resulted in reduction in export orders / delayed picking of confirmed orders, apart from sharp increase in vessel shipping

Cost. Further, prodigious liquidity globally led to a proliferation in commodity prices including Cotton, Dyes, Chemicals, Coal, etc.

#### **INDIAN TEXTILE & APPAREL INDUSTRY**

India is now a fast emerging market inching to reach half a billion middle income population by 2030. All these factors are good for the Indian textile industry in a long run. Even though the global economic crisis seems to be worsening day-by-day, as long as economies are emerging and growing as those in South and South East Asia, textile industry is here to grow provided it takes competition and innovation seriously. Read below to have an insight of the stand of the Indian Textile Industry in the economy.

FY 2021-22 was a year with lot of ups and downs. Q1 of FY 2021-22 started with the extremely severe second wave of Covid-19 pandemic and consequent lockdown which was then followed with high demand across the world in Q2. In second half of the year, raw material prices started increasing. In Q4, on one side retail demand in apparel fabric was holding up a reasonable level and on the other side the quarter got completely disturbed due to the steep rise in Cotton prices i.e. doubling-up from pre-covid level coupled with increase in power and

chemical prices. Overall, there was firefighting throughout the year with lot of uncertainties and fluctuations and the year finally closed above planned turnover but with squeezed margins.

#### **INTRODUCTION**

India's textiles sector is one of the oldest industries in Indian economy dating back several centuries. Even today, textiles sector is one of the largest contributors to India's exports with approximately 13 per cent of total exports. The textile industry is also labor intensive and is one of the largest employers. The textile industry has two broad segments. First, the unorganized sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The second is the organized sector consisting of spinning, apparel and garments segment which apply modern machinery and techniques such as economies of scale.

# **MARKET SIZE**

Textile and apparel trade is predicted to grow at a CAGR of 6.4% during the period 2020-29. Apparel trade is likely to grow at a CAGR of 5.5% and textiles at a CAGR of 7% during the period. Rising disposable income, population, and rapid urbanization in the emerging economies such as India, the period. Rising disposable income, population, and rapid market growth. The Indian apparel industry was estimated to be worth \$62 growing at CAGR of ~7.6% over 2019-29 periods.

India's total textile and apparel industry size (domestic + exports), estimated at \$89 billion in 2011, is projected to grow at a CAGR of 9.5 per cent to reach \$221 billion by 2021. Of this, the domestic market is estimated at Rs. 273,000 crores (\$58 billion) and is expected to grow at nine per cent CAGR to touch a level of Rs. 664,000 crores (\$141 billion) by 2021.

#### **INDIAN TEXTILE INDUSTRY OPPORTUNITIES**

The fundamental strength of Indian textile industry is its strong production base with wide range of fibers/yarns. These are natural fibers such as cotton, jute, silk and wool and synthetic/man-made fibers like polyester, viscose, nylon and acrylic. In producer-driven value chains, large, usually transnational, manufacturers play the central roles in coordinating production networks. Textile industry is capital- and technology-intensive comparable with automobiles, aircraft, computers, semiconductors and heavy machinery industry. Buyer-driven value chains are those in which large retailers, marketers and branded manufacturers play the pivotal roles in setting up decentralized production networks in a variety of exporting countries, typically located in developing countries.

This pattern of trade-led industrialization has become common in labor intensive, consumer-goods industries such as garments, footwear, toys, handicrafts and consumer electronics. Large manufacturers control the producer-driven value chains at the point of production, while marketers and merchandisers exercise the main leverage in buyer-driven value chains at the design and retail stages.

Apparel is an ideal industry for examining the dynamics of buyer-driven value chains. The relative ease of setting up clothing companies, coupled with the prevalence of developed-country protectionism in this sector, has led to an unparalleled diversity of garment exporters in the third world. The global apparel market size is expected to reach US \$2.6 trillion in 2025 growing by a projected rate of 4%. The major growth drivers of the global apparel market will be the developing economies, mainly China and India, both growing in double digits. China will become the biggest apparel market adding more than US \$378 bn. in market size by 2025, while India will be the second most attractive apparel market adding around US \$ 121bn. by 2025.

Accelerated reopening of activities have re-opened opportunities for the textile market which were quiet for a long time. Further, China plus one policy by USA and Europe will lead to increase in demand for the Indian Market. With an added advantage of high quality standards and globally renowned accreditations, our Company will be forging ahead with its sustainability vision to build potential so as to grab opportunities coming its way.

# INDIAN TEXTILE INDUSTRY CHALLENGES (OPPORTUNITIES AND THREATS)

The Indian textile industry is highly fragmented and is being dominated by the unorganized sector and small and medium industries. The changing government policies at the state and central government levels are posing major challenges to the textile industry. The tax structures GST (Goods and Service Tax) make the garments expensive. Another important thereat is raising interest rates and labor wages and workers' salaries.

There is higher level of attrition in the garment industry. Although central government is wooing the foreign investors the investment is coming in the textile industry. In India places such as Bangalore, Mumbai, New Delhi and Tirupur are the hubs of textile garment industries. These manufacturers have ability to produce the entire range of woven wear and knitwear at low cost with reasonably good quality within the short notices.

The Indian textile industry has its own limitations such as accesses to latest technology and failures to meet global standards in the highly competitive export market. There is fierce competition from China, Bangladesh and Sri Lanka in the low price garment market. In the global market tariff and non-tariff barriers coupled with quota is posing major challenge to the Indian textile Industry. The environmental and social issues like child labor and personal safety norms are also some of the challenges for the textile industry in India. In 2020-21, sales of branded textiles had declined nearly 46 per cent to Rs 1,572 crore, as against Rs 2,917 crore of 2019-20. Currently the biggest threat is the enormous increase in cotton prices leading to high finished good prices. Consumers are therefore shifting their focus from cotton to manmade fibres. Further, increase in prices of other commodities such as coal, dyes and chemicals is also making the industry non-competitive. Further, increased competition due to surplus capacity in the country has resulted in pressure on margins due to price undercutting in the market.

#### **CONCLUSION**

The Indian textile industry requires support from both the Central and State governments to become competitive in the Global market. It is high time for the textile industry to upgrade their technology and implement ERP to streamline supply chain and enhance customer relations management activities. The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the last decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market.

The organized apparel segment is expected to grow at a Compound Annual Growth Rate (CAGR) of more than 13 per cent over a 10-year period The Union Ministry of Textiles, which has set a target of doubling textile exports in 10 years, plans to enter into bilateral agreements with Africa and Australia along with working on a new textile policy to promote value addition, apart from finalizing guidelines for the revised Textile up gradation Fund Scheme (TUFS). The Indian textile and apparel industry has been adversely impacted in the short to mid-term due to lockdown and lower consumer spends. However, the Indian cotton textile industry is expected to showcase a stable growth in FY 2021-22, supported by stable input prices, healthy capacity utilization and steady domestic demand. High economic growth has resulted in higher disposable income.

#### SECRETARIAL AUDIT REPORT

For the Financial Year ended 31st March, 2022

(Pursuant to section 204(1) of the Companies Act, 2013 and the Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members,
E-Land Apparel Limited
L17110KA1997PLC120558
16/2B, Sri Vinayaka Indl Estate, Singasandra
Near Dakshin Honda Showroom House Road,
Bangalore – 560068

We have conducted the secretarial audit of the *compliance* of applicable statutory provisions and the adherence to good corporate practices by **E-Land Apparel Limited**. (Hereinafter called "**The Company**"). Secretarial Audit was conducted in a manner that provided to me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

We have conducted the secretarial audit by examining the Secretarial Records including Minutes, Documents, Registers and other records etc. The management has confirmed that the records submitted to us are true and correct. Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and Securities and Exchange Board of India, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2022 ("Audit Period"), generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings [Applicable only to the extent of Foreign Direct Investment and Overseas Direct Investment]
- (v) (i) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations 2011;

# **Annual Report 2021-22**

- (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009);
- (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.
- (ii) Provisions of the following regulations and guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act) were not applicable to the company during the Financial Year under report:
- (a) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 (Not applicable to the Company during the Audit Period);
- (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable to the Company during the Audit Period);
- (c) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (d) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not applicable to the Company during the Audit Period)

We have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company. The list of major head/groups of Acts, Laws and Regulations as applicable to the Company is given in **Annexure I**.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by ICSI under the provisions of the Companies Act, 2013;
- (ii) SEBI (LODR) Regulations, 2015 and the Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the observations, that:

- 1. As per regulation 30, Schedule III, Part A of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, Outcome of the meetings of the Board of Directors should be filed with Stock Exchange within 30 minutes of the closure of the Meeting. However, Outcome of Meetings of Board of Directors held on 14<sup>th</sup> August, 2021 and 14<sup>th</sup> February, 2022 were uploaded after expiry of 30 minutes of closure of the meetings due to technical and connectivity issue. Further no adverse comments to offer on the same.
- 2. As per regulation 31 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Shareholding Pattern for every quarter needs to be filed with Stock Exchange(s) within a period of 21days from the end of respective quarter. However, the shareholding pattern for the quarter ended 30<sup>th</sup> September, 2021 was filed with Stock Exchange on 28<sup>th</sup> October, 2021 i.e. with delay of 7 (seven) days due to non-receipt of Shareholding from RTA due to non-payment of dues. Further Exchange has not imposed any penalty for the delay till date.
- 3. As per regulation 13 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, Statement related to Investor Complaints for every quarter needs to be filed with Stock Exchange(s) within a period of 21 days from the end of respective quarter. However, the Statement related to Investor Complaints for the quarter ended 30<sup>th</sup> September, 2021 was filed with Stock Exchange on 28<sup>th</sup> October, 2021 i.e. with delay of 7 (seven) days.

4. As per regulation 24A of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, Annual Secretarial Compliance Report to be filed with Stock Exchange(s) within 60 days from the end of the financial year. However, the Annual Secretarial Compliance Report for the year ended 31<sup>st</sup> March, 2021 was filed with Stock Exchange on 30<sup>th</sup> June, 2021 i.e. with delay of 30 (thirty) days.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and a Woman Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

We further report that company appointed Mr. Jae Ho Song, Managing Director as Compliance Officer of the Company with effect from 31st March, 2022 due to casual vacancy caused by resignation of Mr. Diwakar Jugani, Company Secretary dated 31st January, 2022.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes were sent seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that the compliance by the Company for the applicable Financial Laws like Direct Taxes, Indirect Taxes and the compliance of the Accounting Standards, quarterly financial results under Regulation 33 of SEBI (LODR) Regulations, 2015 and the annual financial statements, Cost Records has not been reviewed in this audit report, since the same have been subject to the statutory financial audit/cost audit by other designated professionals. This report is to be read with our letter of even date which is annexed as **Annexure I** and forms an integral part of this report.

#### INDEPENDENT AUDITOR'S REPORT

To the Members of E-Land Apparel Limited

**Report on the Audit of the Financial Statements** 

#### **Opinion**

We have audited the accompanying financial statements of **E-Land Apparel Limited** ("the Company"), which comprise the **Balance Sheet as at March 31, 2022**, the Statement of Profit and Loss (including Other Comprehensive income), the Statement of Cash Flows and the Statement of changes in equity for the year ended on that date, and notes to financial statements, including a summary of the significant accounting policies andother explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31<sup>st</sup> March 2022, and its losses (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (Standards on Auditing) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### **Key Audit Matter**

The Company has incurred losses during the current year and in earlier years. Its net worth is eroded as at that March 31, 2022. These may create a doubt regarding the Company's ability to continue as a going concern. However, the financial statements have been prepared on a going concern basis in view of the financial support from the holding company and the management's plan to generate cash flows through operations which would enable the Company to meet its financial obligations as and when they fall due. We considered this to be a key audit matter because management's assessment is largely dependent on the support obtained from its Holding Company.

#### How our audit addressed the key audit matter

Our procedures included the following:

- Obtained the management assessment of appropriateness of Going Concern basis of accounting.
- Discussed with the management on future business and their plans to ensure availability of liquid funds.
- Verified that the holding company has supported the Company in the past when the need arose.
- Verified the support letter obtained by the Company from its holding company indicating that holding company will take necessary actions to organize for any shortfall in liquidity in Company that may arise to meet its financial obligations during the period of 12 months from the balance sheet date.

Based on the above procedures, we noted the management assessment of going concern basis of accounting as appropriate.

The company has written back a loan taken from its related party E-Land Fashion India Pvt Ltd as per mutual agreement. The balance of the loan on the date of write back was Rs. 1,144.27 lacs

- Discussed with the management regarding the reason for write back of the loan.
- Verified the communications between the management of both companies and the holding company for such write back.

#### Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exits related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exits, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged from governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143(3) of the Act, based on our audit we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) In our opinion, the managerial remuneration for the year ended March 31, 2022 has been paid/provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements Refer Note No. 34 to the financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31<sup>st</sup> March, 2022.

Annexure B to the Auditors' Report of even date to the members of E-Land Apparel Limited (Referred to in Paragraph 2(f) under the heading of "Report on other Legal and Regulatory Requirements" of our report)

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **E-Land Apparel Limited** ("the Company") as of 31<sup>st</sup> March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31<sup>st</sup> March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

#### Management's Responsibility for Internal Financial Controls

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### 1. CORPORATE INFORMATION

E-land Apparel Limited ("the Company") is a listed public limited company incorporated in 1997. Its shares are listed on one stock exchange in India (BSE). The Company is primarily engaged in the business of manufacture and sale of garments. The Company caters to both domestic and international markets.

# 2. BASIS FOR PREPARATION AND PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

# 2.1. Basis of preparation and presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The accounting policies are applied consistently to all the periods presented in the financial statements.

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Assets held for sale are measured at lower of carrying amount or fair value less cost to sell.

# 2.2. Summary of significant accounting policies

# i. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from the sale of goods is recognized when the goods are delivered and title is passed, i.e., when all the following conditions are satisfied:

- The Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;

# Notes to Financial Statements for the year ended 31st March, 2022

- The amount of revenue can be measured reliably;
- It is probable that the economic benefits associated with the transaction will flow to the Company; and
- The costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue from services is recognized when services are rendered and related costs are incurred;

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Dividend income is accounted for when the right to receive payment has been established.

Rental income on assets given under operating lease arrangements is recognized on a straight-line basis over the period of the lease.

# ii. Government grant

Government grants are recognized at fair value where there is reasonable assurance that the grant will be received and all the conditions will be complied by the Company

Government grants relating to income are recognized in profit and loss account in a systematic manner, in order to match them with the corresponding costs.

Government grants related to property, plant and equipment are recognized as deferred income and are recognized in the profit and loss account in a systematic basis, based on the compliance of conditions attached with the grant.

# iii. Property, Plant and Equipment

All Property, Plant and Equipment, except Land are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property, Plant and Equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Depreciable amount for assets is the cost of asset less its estimated residual value. Depreciation on Property, Plant and Equipment is calculated on a straight-line basis using the rates arrived at based on

# Notes to Financial Statements for the year ended 31st March, 2022

the useful lives estimated by the management. The Company has considered the following useful lives for providing depreciation:

| Tangible Assets        | Useful Life (in Years) |
|------------------------|------------------------|
| Buildings              | 30                     |
| Plant and equipment    | 20                     |
| Furniture and fixtures | 10                     |
| Office equipment       | 5                      |
| Vehicles               | 8                      |
| Electric Installations | 10                     |
| Computers              | 3                      |

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

In case of Land, the Company has elected to adopt revaluation model as per which it is carried at revalued amount which is equal to its fair value. Revaluations are made at sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period. The surplus arising on account of revaluation is recognized in other comprehensive income and accumulated in equity under the heading "Revaluation surplus".

# iv. Intangible assets

Acquired Intangible Assets - Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if any. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses, if any. The useful lives of intangible assets that is considered for amortization of intangible assets are as follows:

| Intangible Asset  | Useful life (in years) |
|-------------------|------------------------|
| Computer Software | 3                      |

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in Statement of Profit and Loss when the asset is de-recognised.

# v. Inventories

Inventories are valued at the lower of weighted average cost and the net realizable value. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance

# Notes to Financial Statements for the year ended 31st March, 2022

and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads. Raw materials and stores and spares are valued at weighted average cost.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

# vi. Financial Instruments

# Financial assets and financial liabilities:

Financial assets and financial liabilities are recognized when the company becomes a party to the contractual provisions of the instruments.

# <u>Initial recognition and measurement:</u>

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

# Subsequent measurement:

Financial assets at amortized cost-Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

# Financial Assets

Financial Assets at fair value through other comprehensive Income-Financial assets are measured at fair value through other comprehensive income if these financial assets are held within business model whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

Financial assets at fair value through profit or loss-Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or fair value through other comprehensive income on initial recognition. The transaction cost directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in the Statement of Profit and Loss.

# Notes to Financial Statements for the year ended 31st March, 2022

# Financial liabilities

Financial liabilities are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

# **Equity Instrument**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognized by the Company are recognized at the proceeds received net off direct issue cost.

# vii. Impairment of financial assets (other than at fair value)

The Company assesses at each date of balance sheet, whether a financial asset or a group of financial assets is impaired. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the twelve-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly, since initial recognition.

# De-recognition of financial assets

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in Statement of Profit and Loss if such gain or loss would have otherwise been recognized in Statement of profit and loss on disposal of that financial asset.

# <u>De-recognition of financial liabilities</u>

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or

# Notes to Financial Statements for the year ended 31st March, 2022

modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

# viii. Impairment of non-financial asset

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss.

# ix. Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

# x. Foreign Currency transactions and translations

The functional currency of the Company is Indian Rupee (INR). Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not re-translated. Exchange differences on monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.

# xi. Employee Benefits

# **Defined Contribution Plan**

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are recognized as an expense when employees have rendered service entitling them to the contributions.

# <u>Defined Benefit Plan</u>

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each reporting period. Remeasurement, comprising actuarial gains and losses is recognized in other comprehensive income in the period in which they occur.

# **Short-term employee benefits**

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- b) in case of non-accumulating compensated absences, when the absences occur.

# Other Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognized as a liability at the present value of the defined benefit obligation as at the balance sheet date less the fair value of the plan assets out of which the obligations are expected to be settled.

# xii. Borrowing Costs

Borrowing costs include:

- (i) interest expense calculated using the effective interest rate method,
- (ii) finance charges in respect of finance leases, and
- (iii) exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or

# Notes to Financial Statements for the year ended 31st March, 2022

sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

# xiii. Leases

At inception of contract, the Company assesses whether the Contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At inception or on reassessment of a contract that contains a lease component, the Company allocates consideration in the contract to each lease component on the basis of their relative standalone price.

### As a lessee

# i. Right-of-use assets

The Company recognizes right-of-use assets at the commencement date of the lease. Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, lease payments made at or before the commencement date less any lease incentives received and estimate of costs to dismantle. Right-of-use assets are depreciated on a straight-line basis over the lease term as per the contract. The Company presents right-to-use assets under non-current assets in the Balance Sheet.

# ii. <u>Lease liabilities</u>

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. In calculating the present value of lease payments, the Company generally uses its incremental borrowing rate at the lease commencement date if the discount rate implicit in the lease is not readily determinable.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. The carrying amount is remeasured when there is a change in future lease payments arising from a change in index or rate. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset. The Company presents lease liabilities under financial liabilities in the Balance Sheet.

# Notes to Financial Statements for the year ended 31st March, 2022

# iii. Short term leases and leases of low value of assets

The Company applies the short-term lease recognition exemption to its short-term leases. It also applies the lease of low value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognized as rental expense and is generally recognized on a straight-line basis over the term of the relevant lease.

# As lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease.

The incremental borrowing rate of discount applied to lease liabilities as at April 1, 2021 is 12.90%.

# xiv. <u>Income Taxes</u>

Income tax expense represents the sum of the tax currently payable and deferred tax.

# Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. Company has incurred losses and hence no current tax is calculated.

# Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Notes to Financial Statements for the year ended 31st March, 2022

# xv. Provisions and Contingent Liabilities

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in the Notes to the financial statements. Contingent assets are not recognized in the financial statements.

# xvi. Earnings per share

Basic earnings per share are computed by dividing of profit / loss attributable to equity shareholders of the company by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

# xvii. Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

# 2.3. Approval of financial statements

These financial statements were approved for issuance by the Board of Directors of the Company on May 30, 2022.

# 3. Use of estimates and judgements

In the application of the Company's accounting policies, which are described in note 2, the directors of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

# Notes to Financial Statements for the year ended 31st March, 2022

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

# Impairment of investments, Property Plant and Equipment and Intangible Assets

The Company reviews its carrying value of investments, Property, Plant and Equipment and Intangible Assets annually, or more frequently when there is an indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

# <u>Useful lives of property, plant and equipment</u>

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

### 29. Employee benefit plans

#### **Defined contribution plans**

The Company makes Provident Fund and Employee State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. Under the said schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognises the amount paid / payable to such funds in the Statement of Profit and Loss. The contributions made by the Company towards these schemes are as follows:

(₹ in Lakhs)

### **Defined benefit plans**

The Company offers gratuity, a defined employee benefit scheme to its employees. The said plan typically exposes the Company to actuarial risks such as: interest rate risk, longevity risk and salary risk

### Interest risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

# Longevity risk:

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

# Salary risk:

Higher than expected increases in salary will increase the defined benefit obligation

No other post-retirement benefits are provided to these employees.

The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

#### Financial risk management objectives

The Company's risk management is carried out by Treasury department under policies laid down by the management. The Company's activities expose it to market risk (which includes currency risk, interest rate risk and equity price risk), credit risk and liquidity risk. Treasury department monitors the risk exposures on a periodical basis and reports to the Board of directors on the risks that it monitors and policies implemented to mitigate risk exposures.

### Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise.

The carrying amounts of the Company's foreign currency denominated monetary liabilities (Trade payables) and Assets (Trade receivables) at the end of the reporting period are as follows.

| As at 31st March, 2022 |          |       |                |

### Foreign currency sensitivity analysis

The Company is mainly exposed to USD on account of outstanding trade receivables, trade payables, and borrowings.

The following table details the Company's sensitivity to a 5% increase and decrease in INR against the USD. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rates. The amounts given below are the impact on loss and equity where the INR weakens 5% against USD. Positive number indicates decrease in loss / increase in equity whereas negative number indicates increase in loss / decrease in equity. For a 5% strengthening of the INR against USD, there would be equivalent amount of loss as mentioned in the below table.

#### Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. Ongoing credit evaluation is performed on the financial condition of accounts receivable. The Company monitors its trade receivables on case to case basis, depending on the ageing of days the receivables are due. Credit risk also arises from cash and cash equivalents, financial instruments and deposits with banks.

| Change in loss allowance         | (220.64)       |
| Loss allowance on March 31, 2022 | (881.60)       |

### Liquidity risk

Liquidity risk is the risk that the company could be unable to meet its short term financial demands.

Ultimate responsibility for liquidity risk management rests with the management, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual short term and long term cash flows, and by matching the maturity profiles of financial assets and liabilities.

### Liquidity analysis for non derivative financial liabilities-

The following table details the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The table have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company is required to pay. The contractual maturity is based on the earliest date on which the Company would be required to pay.

#### Notes to financial statements for the Year ended 31st March 2022

The Company has incurred losses of Rs. 2860.14 lakhs (before other comprehensive income) for the year ended March 31, 2022 (year ended March 31, 2021 - Rs. 5299.96 lakhs). The accumulated losses exceed its paid up capital and other equity as on March 31, 2022. These conditions indicate the existence of a material uncertanity that may cast significant doubt about the Company's ability to continue as a going concern and, therefore it may be unable to realise its assets and discharge its liabilities in the normal course of business. The Management is currently implementing a plan to increase turnover, improve profitability and financial position and has assessed that it will be able to meet the working capital requirements for the next 12 months. The Holding company has confirmed financial support to the Company to continue as a going concern. The Company is therefore being viewed as a going concern and the financial results have been prepared under the going concern assumption.

- In respect of the Company's leasehold land at Doddaballapura, the Company had entered into a lease cum sale agreement with the Karnataka Industrial Areas Development Board (KIADB) wherein the Company has to develop the land, construct building and set up a manufacturing unit of readymade garments and will provide employment opportunities as per the terms mentioned in the agreement. The Company has complied with the aforesaid conditions and the said land has been capitalised in the books of accounts as at 31st March 2022.
- In view of the accumulated losses and in accordance with Ind AS 12 "Income Taxes", the Management believes that there is no reasonable certainty supported by convincing evidence for recognising deferred tax asset on carry forward losses.
- 38 The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the company.
- 39 The company does not hold any Investment property as defined in Ind AS 40 as at 31st March, 2022.
- 40 The company has revalued its land held at Dodaballapur and Bomassandra during the year. Such revaluation is based on the valuation by a registered valuer as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. There has been no revaluation of intangible assets.
- 41 The company has not granted any loans or advances to promoters, directors, KMPs and other related parties, either severally or jointly with any other person.
- 42 The company does not have any Capital-Work-in Progress or Intangibles under development as at 31st March, 2022.
- 43 No proceedings have been initiated or pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- The Company does not have any borrowings from banks or financial institutions on the basis of security of current assets.
- 45 The company has not been declared a wilful defaulter by any bank or financial Institution or other lender.
- 46 The company does not have any transactions with the companies struck off under section 248 of Companies Act, 2013 or section 560 of Companies Act, 1956.
- 47 There are no charges or satisfaction yet to be registered with ROC beyond the statutory period.
- 48 Provisions under clause (87) of Section 2 of the Companies Act, 2013 read with Companies (Restriction on number of layers) Rules, 2017 are not applicable to the company.
