**Limited review report on unaudited quarterly and year to date standalone financial results under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**To**  
**THE BOARD OF DIRECTORS OF E-LAND APPAREL LIMITED**

1. We have reviewed the accompanying statement of standalone unaudited financial results ("the statement") of E-Land Apparel Limited ("the company") for the quarter ended 31<sup>st</sup> December 2021 and year to date from 1<sup>st</sup> April 2021 to 31<sup>st</sup> December 2021 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (listing Regulations'), including relevant circulars issued by the SEBI from time to time.
2. This Statement which is the responsibility of the Company's management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, the SEBI Circulars, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note 2 in the standalone unaudited financial results for the quarter and half year ended 31<sup>st</sup> December, 2021, which describes uncertainties, the Company is facing as a result of COVID-19 and the management evaluation of its operations and financial reporting for the quarter. Such assessments are dependent on the circumstances as they evolve in the subsequent periods.
  
6. We draw attention to Note 3 of the Statement, which indicates that the Company has incurred Profit of Rs. 476.61 lakhs for the quarter ended 31<sup>st</sup> December, 2021 and the accumulated losses as on that date, have eroded the net-worth of the Company. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. However, the Statement has been prepared on a going concern basis for the reasons stated in the said Note.

## Notes to financial results:

(₹ in lakhs)

- The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on February 14, 2022.  
Due to the impact of Covid-19 across the globe, the company was not able to operate at its full extent to meet its minimum operating cost, leading to loss of Income/Sale and negative cashflow in the first half of FY 2021-22. It had become very difficult for the company to operate and to manage even the minimum operational cost. However, Company expects to receive carrying amount of all its assets including trade receivables, inventory and advances in ordinary course of business.
- Considering the fact that the situation is exceptional and is changing dynamically, the Company is not in a position to gauge with certainty, the future impact on its operations. Company is sure that demand in garments will take some time certainly for pick up. In spite of many challenges of Covid-19 situation, we are expecting new opportunity in protective apparel and textile industry to overcome the situation.  
The Company has incurred Profit of Rs. 476.61 lakhs (before other comprehensive income) for the Quarter ended December 31, 2021 (quarter ended Sept 30, 2021 - Rs. 1085.11 lakhs). The accumulated losses exceed its paid up capital and other equity as on December 31, 2021 indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern and, therefore it may be unable to realise its assets and discharge its liabilities in the normal course of business. The Management is currently implementing a plan to increase turnover, improve profitability and financial position and has assessed that it will be able to meet the working capital requirements for the next 12 months. The Holding company has confirmed financial support to the Company to continue as a going concern. The Company is therefore being viewed as a going concern and the financial results have been prepared under the going concern assumption.
- The Company has only one reportable segment i.e. Garments.  
For the quarter ended December 31, 2021, the application of Ind AS 115 has resulted in the the Finance costs being higher by Rs.1092.89 lakhs (Quarter ending Sept'21 - Rs. 1,092.20 lakhs) and profit before tax being lower by a similar amount vis-à-vis the amounts if the replaced standard was applicable. The basic and diluted EPS would be Rs. 3.27 as against Rs. 0.99.
- Balances of Inventory, Trade receivables and Trade Payables have been verified by the management.
- The Loan from Sister concern has been written back resulting an in exceptional item income of Rs. 11,44,27,297/-
- The Company has recognized the net ROSCTL (Rebate of State and central taxes and Levies) income of Rs. 5,29,04,699/- in the current quarter.
